If this happens and you do not pay, the court can make you pay the fees and also charge you collection fees. If there is a change in your financial circumstances during this case that increases your ability to pay fees and costs, you must notify the trial court within five days. (Use form FW-010.) If you win your case, the trial court may order the other side to pay the fees. If you settle your civil case for \$10,000 or more, the trial court will have a lien on the settlement in the amount of the waived fees. The trial court may not dismiss the case until the lien is paid.
